SSM INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi / Affiliated to Anna University, Chennai / Accredited by NAAC)
NEWS LETTER
(JULY To DECEMBER 2018)

DEPARTMENT OF
ELECTRONICS AND COMMUNICATION ENGINEERING

About the Department …

The Department of Electronics and Communication Engineering was established in the year 2011 with an intake of 60 undergraduate students. Since then, the department has come a long way and is now regarded as one of the premiere departments of the institution with an intake of 120 undergraduate students and 18 post graduate students per year.

It is equipped with outstanding infrastructure and boasts of a unit of 23 young and dynamic faculty members and sincere staff who work with zeal and enthusiasm to provide a vibrant and optimum learning environment to the students and help them acquire the skills which are required to excel in today's competitive environment.

The Department has four recognized research guides under Anna University, Chennai. At present ten internal research candidates and two external research candidates are pursuing their PhD program under the Department of Electronics and Communication Engineering. The department believes in serious academic pursuit and encourages radical and original thinking which paves the way for creativity and innovative ideas. The qualities inculcated into the students make them not only good engineers but good human beings also. The excellent placement record which has been consistently above 80 % for the past several years, alone of our students is ample testimony to the emphasis that has been placed on the industrial needs of our country.

Vision :

To prepare students to meet the growing demand for the graduates with essential skills in engineering by offering in depth conceptual knowledge in Electronics and Communication Engineering domain.

Mission :

To equip the students with current trends and latest technologies in the field of Electronics and Communication Engineering in order to make them technically strong and ethically superior and also developing skills for enhancing employability of students through comprehensive training process.

UNIVERSITY RESULTS :
